Jack Pickard Remembered

January 17th, 2010 · [58 Comments](#) · [Legends](#)

A short while ago I received a phone call from Nick at PSF, who's asked me to share the very sad and painful news that our friend [Jack Pickard](#) passed away over the weekend, following a suspected heart attack.

No doubt like everyone else, I'm really shocked and stunned by the news - I was in contact with Jack only the other day, and as usual, he was cracking jokes and making me laugh out loud with his wicked sense of humour.

Jack, without question, was one of the most wonderful, funniest, wittiest, coolest, entertaining people I've ever met, a fantastic person to work with at PSF and an awesome blogger. Let's hope his pages stay online forever and ever. All in all, an amazing character and truly one in a million.

My thoughts go out to his wife Tracey, his kids, family, all his loved ones.

Thanks Jack for all the inspiration and all the laughs. You'll be greatly missed, and just as greatly remembered. RIP.
